**SUBJECT:** **Amendment to Quota Assessment Tools Evaluation: Work Action Plan**

Good afternoon,

To allow more time for the Commission to conduct further consultation and consider related issues - including specialty production and the potential impact on new entrant programs due to a new proposed Interior hatchery - the timeline for releasing its draft report has been extended from June 2 to June 16, 2017. Response comments will now be due to the Commission by June 26, 2017.

Regards,

Jim Collins, Chair
