TO: Industry Stakeholders
FROM: Joe Neels – Quota Task Force Chair
DATE: September 29, 2017
SUBJECT: Quota Task Force Update

Good afternoon,

Due to the BC Broiler Hatching Egg Commission's ("the Commission") current workload and the transition of Commission staff the decision was made to temporarily pause the Quota Review.

The Commission will review this key initiative at the upcoming Strategic Planning Session and encourage Stakeholders to communicate their position on the circulated documentation.

Regards,

Joe Neels
Quota Task Force Chair
