INPUT COSTS AND HATCHERY MARGIN

Dear Mr. Silveri,

Further to my October 25, 2017 letter concerning the subject, please find attached the Work Action Plan for finalizing the Input Costs issue.

I again reiterate that "it is helpful and constructive to have stakeholders submit substantive proposals", followed by thorough analysis and constructive discussion of the issues. This input from all stakeholders supports "informed decision-making by the Commission".

Yours truly,

A handwritten signature in black ink, appearing to read "J. K. Collins".
