

February 8, 2019

Dear Mr. Donaldson,

Pursuant to section (9) of the British Columbia Broiler Hatching Egg Scheme, following the recommendation of the BC Farm Industry Review Board of July 17, 2018 and consultation with stakeholders, the BC Broiler Hatching Egg Commission (the Commission) has appointed Bradner Hatchery to the Commission's Pricing and Production Advisory Committee (PPAC) effective February 5, 2019.

The PPAC advises the Commission concerning any matter relating to pricing or production decisions the Commission has made or may make. This includes Asian breeders and hatching eggs which are a regulated product under the Scheme.

I can also advise that Trevor Allen has been appointed to the PPAC as the Asian Breeder producer representative effective February 5, 2019.

The Commission looks forward to your contributions to the PPAC.

Yours truly,
