BC CHICKEN MARKETING BOARD Employment Opportunity

Position: Field Service Representative

Job Status: Full time

As part of a team of three, you will perform audits on BC chicken farms of mandatory Animal Care, On Farm Food Safety and Bio-Security Programs. Other related duties as required will be under the supervision of the BCCMB Manager of Administration.

As a prerequisite, the successful candidate will have one of the following combinations of experience:

- 2 years post-secondary education in agriculture with 2 years' experience in the agricultural industry.
- 2 years post-secondary education, not in agriculture, with 3 years' experience in the agricultural industry.
- No post-secondary education with 5 years' experience in the agricultural industry.
- Preference will be given to those with experience in the poultry industry.

Candidates must be willing to travel within the province of BC, and have a clean driving record.

Once hired, be required to successfully complete, prior to the end of the 3 month probationary period:

- A HACCP and auditing course
- The CFC Chicken Specific Auditor Training Course

The BCCMB provides competitive salary and benefit packages. Details to be discussed with individuals that progress beyond the initial interview stage.

Please send a copy of your resume and drivers abstract by email only to info@bcchicken.ca
